Adam Belnap, Treasurer  
Dan Karlan, Secretary  
Chris Ward, Region 1

Absent: Jennifer Imhoff, Region 2  
Beth Clark, Region 3

Also Present: Jonathan M. Jacobs, PRP-R CPP consulting

At 7:03, the meeting was convened. There was a quorum present (5 of 7).

The Agenda consisted in its entirety of discussion initiated by Mr Jacobs regarding how he could assist us in presenting our case to the LNC at their upcoming meeting. The letter from the Imhoff-Doucharms from the end of May was read, and it served to focus our attention on the core of the case.

Mr Callear moved (seconded) to task an officer to formally request Jonathan Jacobs, PRP-R, CPP, for his Professional parliamentary opinion as to whether Robert Imhoff had the authority to revert the executive board of the LPID to what it was before the April 2, 2022 convention. Second question: Did Jennifer Imhoff-Doucharm, the prior Chair of the LPID, have the authority to take that action?

The motion was approved without objection. The Secretary will draft the letter and ask the Chair to co-sign it, from these minutes.

The re was no next meeting scheduled.

The meeting was adjourned at 7:57:
